

Newsletter Fall & Winter 2016

www.caninesforchrist.org

2016 has been a very busy and productive year for Canines for Christ of Greater Cincinnati. We participated in twelve high profile events that presented our group to a variety of individual public venues in a very positive and productive way. The success that C4C has enjoyed can only be attributed to you, our volunteers, who have unselfishly given of your time and talents in serving the Lord through your commitment in sharing this love with others.

We are currently in the process of teaching interested members as additional trainers in preparing new teams in the coming year. If this is an area in which you may want to become involved all you have to do is contact Steve Bader.

Our commitment to public awareness of C4C will feature another active agenda in 2017 beginning with My Furry Valentine in February. This is a highly publicized event that attracts many visitors and generates a lot of interest in our ministry. You are encouraged to attend and participate in our booth.

Each month the events schedule is highlighted on our website for your review and volunteering considerations.

As C4C continues to grow, we respectfully request your input and suggestions to improve and expand upon our services throughout the community. One such suggestion has been to solicit personal testimonials from our members on how they became associated with C4C and specific areas in which they serve.

Thank you for a wonderful year in service to our Lord and Savior Jesus Christ through your sharing of His love with so many.

Best wishes to you and your families for a Merry Christmas and a Happy and Healthy New Year.

In closing, we petition the Lord to help us to see where our ministry is needed to bring comfort to others in their times of loneliness or sorrow. We thank the Lord for His blessings of our canine companions and the opportunities to share their love with others.
