## Are you asking yourself...

- What is my calling?
- Where is it that God wants to use me to build His Kingdom?
- How can I make a difference in the lives of people in need of love, hope and compassion?
- Am I able to share the love of Jesus with the sick, elderly, lonely, depressed, injured and dying?

## So, how do I get started?

- Have a gentle, well-mannered dog with good social skills, at least 1 year old.
- We can help you get certified. Our training classes run in 8 week cycles from March through October. When you and your dog are ready, we can administer the AKC Canine Good Citizen test.
- Be willing to volunteer your time at least one day per week visiting nursing homes, hospitals, hospice and grief centers. A team typically spends 1 to 2 hours per visit.
- Pray that God will open your heart to be an active part of this wonderful ministry.
